

4 Ways

TO MAKE JOY A **DAILY** DECISION

1 Start Your Day in Conversation with God
Every morning, begin with prayer. It's our way of inviting God into our day and setting the tone for a life rooted in faith.

2 Dive into God's Word
Join our weekly Bible studies to explore scripture and discover the wisdom and strength it provides. Together, we grow in understanding and application.

3 Reflect on God's Goodness
Pause each day to recognize and appreciate the blessings in your life. Whether it's journaling, sharing with a friend, or simply thanking God, gratitude shifts our focus and strengthens our faith.

4 Stay Connected with the Tribe
Lean on your tribe for support, encouragement, and accountability. Through our devotionals, check-ins, and events, we keep each other uplifted and grounded in our daily walk.
